

ANNUAL REVIEWS ACCESS POLICIES

The following terms and conditions apply to institutional customers. Please note that the Creative Commons license attributed to articles published open access under Subscribe to Open shall override any user access and use restrictions stipulated below.

- An academic institutional order is for use across the institution or library, and online access, when purchased, is made available to all users at the institution making the purchase. For corporate and government customers with multiple locations, please contact sales@annualreviews.org
- Online access is for educational, research, and personal use by the faculty, staff, students, alumni and library patrons at the academic institution. Distance learners, and other off-campus individuals may access Annual Reviews online if their Internet access is through the campus network and the Purchaser has a process to validate Authorized Users.
- The Purchasers' Authorized Users may download and print articles for personal use and archive contents on their own personal devices. They may send one copy by email, print, or fax to one person at another location for that individual's personal use. Systematic acquisition of large amounts of Annual Reviews content is not considered 'personal use.' Fax images that are exact representations of the print pages or of printouts from the electronic database may be provided for interlibrary loan under CONTU guidelines and distributed in paper, fax, or digital form. Libraries may include links to Annual Reviews digital content in local electronic course reserve systems limited to use of Authorized Users of current classes.
- Neither Purchaser nor its Authorized Users may use any Annual Reviews works or parts of works in the provision of any product, publication, or other service offered for commercial sale. This includes the creation of custom textbooks for sale, reproduction of bibliographies in other works, or posting of any information on an open website which would allow downloading Annual Reviews works into commercial sites or services.
- Annual Reviews retains all copyright and intellectual property rights to the digital and print information purchased.
- Annual Reviews warrants and will ensure that it holds distribution rights for all journals and other information provided.
- The Purchaser agrees to exercise reasonable precautions, according to common industry practices, to limit access to Annual Reviews online databases to its Authorized Users. Purchaser shall not be required to report such user information to Annual Reviews but will describe and document its User policies and practices upon request by Annual Reviews. Purchaser agrees to provide electronic security measures as feasible to ensure protection of Annual Reviews data and content.
- Annual Reviews will enable search and discovery service with Google Subscriber Links Program.
